

ARI LAVIGNE

Library services expert with research, archival, and media digitization experience. Passionate about harnessing technology to protect and preserve our collective histories.

EXPERIENCE

Moving Image Preservation of Puget Sound *Assistant Audiovisual Archivist*

OCT 2017 - PRESENT

Train volunteers from regional heritage institutions in **digitizing** and **preserving** their at-risk videotape collections. **Appraise, process, and digitize** a wide variety of obsolete videotape formats. **Develop** and **execute digital preservation plans** consistent with OAIS principles. **Write** scripts to increase efficiency of digital processing. **Create** descriptive and technical metadata. **Build** collections of digitized material on **Internet Archive** to foster access. **Develop** and **design** cohesive and engaging outreach strategies to involve an increasingly diverse group of local heritage organizations. **Collaborate** with volunteers and MIPoPS team to **plan, advertise, and execute** successful events. **Engage** journalist and media outlets to cover MIPoPS activities, resulting in numerous **articles** and **increased interest** locally and nationally. **Write** articles for MIPoPS blog. **Build** and **maintain** videotape processing instructions for communities of interest. **Improve** open source software for working with AV materials. **Advise** participating institutions on best practices for caring for AV materials. **Clean** and perform minor **repairs** on obsolete video equipment. **Write** federal and local grants.

University of Washington Libraries, Special Collections *Digital Projects and Metadata Technician*

JAN 2017 - MAR 2018

Designed and **developed** controlled vocabularies and data dictionaries. **Streamlined** workflows using CSS stylesheets to quickly and effectively create EAD compliant finding aids using **ArchivesSpace** and **XMetaL**. **Collaborated** with IT to create workflows that allowed us to build on existing work, not reinvent the wheel. Used **DublinCore** standards for building digital collections in **ContentDM**. **Collaborated** with various stakeholders to **build** the **Pacific Northwest Political Marches and Rallies** collection, one of the first **born digital** photograph collections at the university. **Wrote** technical and descriptive metadata for over 2,750 items in the collection.

University of Washington Libraries, Special Collections *Film Processing Assistant*

MAR 2018 - AUG 2018

Inventoried Seattle filmmaker Jean Walkinshaw's donation of over 500 reels of film and videotapes. **Identified, labeled, and organized** different film generations and video formats. **Collaborated** with film archivist to create an **EAD compliant** inventory. **Assisted** researchers looking to utilize items from the collection.
